OF **KOHLER**

KOHLER®

KITCHEN FAUCET COLLECTIONS

Kohler designs and manufactures faucet collections in a wide range of styles to suit any decor. Every collection offers task sprays to make light work of heavy kitchen tasks, and certain collections provide touchless technology and unique product options, such as pull-down spouts, bar sink faucets, and pot fillers, to perfectly complement your needs and space.

Components® KITCHEN FAUCET COLLECTION

The Components faucet collection is defined by a warm, minimalist style that preserves geometric purity within its design. This collection is noteworthy for its precision in details, such as the intersection of intriguing forms and the radial texture on the handles. The result is a visually striking, modern faucet for the kitchen.

Graze®

KITCHEN FAUCET COLLECTION

Rooted in classic Americana design, the Graze collection is a statement piece that doesn't follow the mold of the simple faucet. Its square base and rotating sprayhead on the semi-professional faucet set it apart from other collections.

Jolt® KITCHEN FAUCET COLLECTION

The Jolt collection delivers stylish, clean lines and the functionality that today's consumers demand at an affordable price point.

LOVE HOW YOU KITCHEN

KOHLER® kitchen faucets are thoughtfully designed to add beauty and efficiency to the kitchen. As a leader in design and technology, every KOHLER faucet seamlessly blends form and function into a work of art. Kohler designers continually develop more styles and finishes to give customers exactly the look they want, while Kohler engineers push technology for smarter innovations that make everyday kitchen tasks a little easier.

Faucet Functions

Helping you work faster and easier in the kitchen, our faucets include innovative features. Choose the functions that complement how you prep, cook, and clean in the kitchen.

The KOHLER® Advantage

Innovative designs and technologies, that's the KOHLER advantage. Magnetic docking, sprayfaces that withstand mineral buildup, and effortless hose control provide functional versatility.

DockNetik®

DockNetik docking system securely locks the sprayhead into place when not in use.

ProMotion®

ProMotion technology combines a braided hose with a swiveling ball joint that won't kink or tangle, providing effortless sprayhead control.

MasterClean™

The MasterClean sprayface withstands mineral buildup and wipes clean with a wet cloth.

Switch-Grip®

The sprayhead on the Graze® semi-professional faucet rotates in 90-degree increments, which allows you to set the spray button exactly where you prefer it—to the left, right, front, or back.

Versatility

KOHLER semi-professional kitchen faucets provide a greater range of motion, ideal for filling large pots. Multifunction sprayheads help with dish, pan, and sink area cleanup.

Sprays

Kohler offers one of the largest selections of faucet sprays, each designed with thoughtful technology to stay on task for years. Sprays help streamline kitchen tasks, quickly fill large pots with water, gently clean delicate fruits, and sweep dirty dishes clean.

BerrySoft® Spray

Delicate fruits deserve a gentle touch. BerrySoft spray is light enough to gently rinse produce.

Sweep® Spray

Sweep your sink and dishes clean with Sweep spray's wide, powerful blade of water.

Boost

With the touch of a button, Boost technology will increase your faucet's water flow by 30 percent.

Ring

Great for everyday cleaning tasks, ring spray offers a precise and powerful flow of water.

Stream

Stream provides a full, aerated stream of water that's great for quickly filling large pots or pitchers.

SoftRinse™ Spray

SoftRinse is a light spray ideal for washing hands, rinsing delicate glassware, and prepping fruits and vegetables.

KOHLER Konnect®

KOHLER® Konnect voice-enabled technology transforms your kitchen faucet into your own personal assistant. Just say the words to turn the water on, fill pots, and dispense measured pours without fear of spillage. Use the KOHLER Konnect smartphone app to control your preferences and monitor water usage. Enjoy having the power to personalize your kitchen routine and create an experience as unique as you.

Response® Touchless Technology

Response touchless technology responds to your every move to ensure that prepping, cleaning, and cooking all go more smoothly. No false activations, no interruptions to your daily routine. Simply wave a hand, utensil, or dish through the sensor window for reliable on and off operation, so you don't have to worry about germs spreading to the rest of the kitchen.

Water Filtration

KOHLER® water filtration products effectively reduce harmful chemicals and contaminants, including lead, chlorine, PFOA/PFOS, and pharmaceuticals, to ensure your water is clean down to the last drop.

Aquifer® Water Filtration Systems

Aquifer systems work with kitchen, beverage, or bathroom faucets. They rest discreetly under your sink and deliver clean drinking water.

- Aquifer carbon-block filter medium is made out of ground coconut shells, making it more sustainable
- Choose between one filter cartridge with a 0.85 gallons per minute (gpm) flow rate or two cartridges with a 1.7 gpm flow rate
- Aquifer reverse osmosis (RO) and Aquifer Refine® water purification systems effectively reduce bacteria, viruses, PFOA/PFOS, lead, pharmaceuticals, VOCs, and more
- The Aquifer+, Aquifer Refine, and RO systems should be paired with a KOHLER beverage faucet

All KOHLER undersink water filtration systems meet or exceed the appropriate National Sanitation Foundation (NSF) standards.

Aquifer® Refine With KOHLER Konnect®

The Aquifer Refine® water purification system installs easily in any kitchen for a convenient way to enjoy the highest water quality every day in your home. The system purifies your water through three-stage filtration, which eliminates harmful contaminants, including lead, mercury, viruses, bacteria, pharmaceuticals, and more. Aquifer Refine is a smart system that works with the KOHLER® Konnect app. This allows you to see water usage per filter to help maximize the life of each filter. You'll also be alerted to potential leaks, and you'll receive push notifications when the filters need replacing.

Kitchen Sink Accessories

Kohler offers a range of kitchen sink accessories designed to complement our full range of kitchen sink, bar, and beverage faucets. Add style and convenience while reducing clutter with soap/lotion dispensers that mount beneath the counter. Reduce the risk of dishwasher water line contamination with the additional of an air gap, or fit your garbage disposal with a stylish air switch. All accessories are finish-matched to KOHLER® faucets.
